Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Responsive to the Notice of Allowance and Fee(s) due ("Notice") dated April 27, 2005, enclosed the following items:

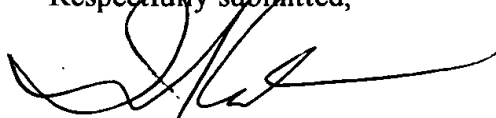

1. Completed Part B of the Notice; and
2. A check in the amount of \$1000 as payment for the issue and publication fees.

In view of the above submissions, it is anticipated that a patent will issue in due course.

Also enclosed are (1) a Power of Attorney setting forth that the undersigned has responsibility for prosecuting the above-identified application. Although the amendment filed April 8, 2005 indicated that a power of attorney was submitted, apparently, the

power was inadvertently not included; and (2) Change of Correspondence Address form indicating the current address of the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Irving Keschner', written over the typed name.
